LB 165, 580, 998, 442

SPEAKER NICHOL: Senator Hoagland was closing and the question is the reconsideration of LB 165. All those in favor of reconsidering vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 11 ayes, 22 nays, Mr. President, on the motion to reconsider.

SPEAKER NICHOL: The motion lost. I guess there is not much use in taking up 165A. Mr. Clerk, do you have any new bills?

CLERK: Mr. President, one new bill, 998 by Senator DeCamp. (Read title to LB 998 for the first time as found on page 414 if the Legislative Journal.) In addition, Mr. President, I have a hearing notice from Public Works. And Ag and Environment whose Chairman is Senator Haberman reports 580 as indefinitely postponed.

SPEAKER NICHOL: We will move on to General File. Senator Clark has asked that we pass over 420 today pending his receiving additional information. Senator Landis, LB 442.

CLERK: 442 was a bill introduced by Senator Landis. (Read title.) The bill was read on January 18, referred to the Retirement Systems Committee. The bill was advanced to General File. There are committee amendments pending, Mr. President. Also, Mr. President, after I have read all that, Senator Landis had made a motion to withdraw the bill, and that motion was read last Friday, so the motion before us now is to withdraw LB 442.

SPEAKER NICHOL: Okay, Senator Landis.

SENATOR LANDIS: I move to withdraw LB 442. There have been some intervening lawsuits which have complicated the area and I would anticipate a comprehensive package that will address many of the same provisions coming before us in a more comprehensive fashion later in the session.

SPEAKER NICHOL: The question is the withdrawal of LB 442. All those in favor vote aye, opposed nay. Record, Mr. Clerk.
